MY PROJECTS:

- Name:** Econiwas
Details: A Indian government project: Indian rapid urbanization is creating an. unprecedented demand for buildings, which already account for nearly 35 percent of India's total electricity consumption.
Link: <https://www.econiwass.com/> **Roles:** Design and Development
- Name:** Haryanacsr
Details: The Haryana State CSR Trust Board aims to play the role of aggregating various social initiatives spread all over the State.
Link: <https://haryanacsr.org/> **Roles:** Design and Development
- Name:** BriPublish
Details: : BriPublish is an AI-powered platform that enables individuals, particularly young adults, to write, publish, and sell their books. It offers a user-friendly interface designed to make the writing and publishing process accessible and enjoyable. By dedicating just 30 minutes a day, users can develop their manuscripts, which are then made available for sale globally on platforms like Amazon and BriPublish's own bookstore.
